THE YELLOW HOODS

A gripping, middle-grade/young adult series with adventure, inventions, and fairy tale made real. Follows the adventures of a teen trio (Tee, Elly, and Richy) in a world of secret societies like the Tub, led by a butcher, baker, and candlestick maker, and master inventors like Nikolas Klaus. The series gets more intense as it goes and uses humour to balance it.

Genius. Conscience. Consequence.

At seventeen, Niko Rafaelo committed himself to two ideas. One would fuel the driven genius to create a revolutionary technology that reshapes the late 21st century. The other would tear his life apart.

Like an addict, Niko pursues his vision, regardless of the sacrifices and consequences.
